Sir,

I have the honor to state that the works sanctioned in Government Order No: 402-4 Mung 7 31-95 dated 8th July 1903 for the repairs of Sri Ranganathaswamii temple and Anna Chatram at Komara-nahalli in the Nanjan Sub Taluk have been completed, and the Completion bills abstracts submitted with this

6th May 06

and accepted in your docket No. 1231-2 / Irrig. Fr 31-95 dated 18th May 1905.

I recently inspected the temples and the Chatrams and found the following works absolutely necessary.

I The basement of these structures is 16 feet higher than the ground level and a parapet wall cannot but be too strongly urged to prevent serious accidents on the occasions of festivals when a very large number of people congregate.

II. Doors to the Mahadwarams are required to keep away cattle &c

III Steps have to be built from the temples Compounds to the well as the ground is very rough and get slushy and slippery during the rains putting the travelling public to very great in

water has to be carried to a great height

I therefore beg to submit herewith for favor of sanction an estimate amounting to Rs: 742 the charge being met from the savings of the temple which amounts to Rs: 2117-15-10 at the end of March 1905, as per annexed certificate from the Treasury officer of Chitaldrug District.

Sir,

With reference to your docket No: 120 dated 10th July 1905, enquiring how a large balance has accrued at the credit of the Sri Ranganathaswami temple at Komaranahalli in the Harihar Sub-Taluk, I have the honor to submit herewith, a statement of receipts and disbursements of the said Institution for the last 3 years furnished by the Deputy Amildar

2. It will be seen therefrom that there a balance of Rs 1,834-15-1 at the credit of at the end of June 1902 and this

mean the two

following heads:

Surplus Funds	Rs 6-15-8
Temple Management Funds	1827-15-5
Total Rs	1834-15-1

In soliciting a state grant for the work, the balance under temple management funds" seems to have been left out of Consideration on the understanding that this amount was not intended for such purposes as may be inferred from the memo accompanying this Office letter No: 255 dated 26th September 1902.

3. It was then reported that the available balance, under "Surplus Funds" was according to the accounts of June 1902:—

at the credit of the Chattram . .	Rs 462-14-8
Do — temple	4-12-0

[Note - This amount was the balance at the End of May 1902]

4. The accounts furnished by the Amildar show the correctness of the figure given in this Office letter No: 685 dated 5th June 1905.

5. I therefore request that the Estimate may be kindly sanctioned and forwarded at an early date.

I have the honor to be
